

# Weldlok Plus

**Weldlok Plus** is a Unitary ActionBac engineered for commercial patterned constructions. The demands of commercial constructions require an extra layer of stability. Weldlok Plus is ideal for high performance environments that require excellent tuft retention properties.

## PERFORMANCE

- High Tuft Bind
- Greater dimensional stability – no growing or shrinking
- Tufted through both backing layers = impossible to delaminate
- Lifetime Limited Warranty
- Superior appearance retention

## BUDGET

- The longer carpet lasts the less it costs
- Temperature stable
- Product flexibility and construction = ease of installation

- CRI Green Label Certified
- Recyclable
- Exceeds industry standards

## SERVICE

- Excellent lead times and service reliability

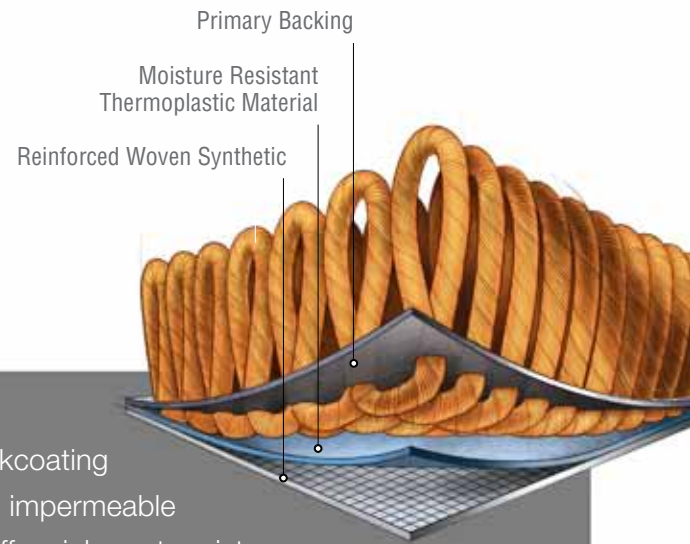

## SUSTAINABILITY

- Extending the life of carpet = less carpet to the land fill
- PVC free, chlorine free
- No 4PCH, No SBR latex
- Low VOC seam sealer

## INSTALLATION SPECIFICATIONS

Backing	Suggested Adhesive	Adhesive Application Method	Moisture & ph	Spread Rate
<b>Weldlok Plus</b>	Mohawk NuBroadlok Premium Multi-Purpose	1/8" x 1/8" x 1/16" U Notch Trowel 1/8" x 1/8" x 1/16" V Notch Trowel	5lbs/ 80% RH, 5-9 PH	8-10 SY/Gal

# Weldlok Bloc

**Weldlok Bloc** with moisture barrier is a laminated backcoating for carpets which utilizes a specialized water-resistant, impermeable composite rubber latex compound. This compound offers inherent moisture resistant properties and prevents moisture penetration beneath the primary backing.

## PERFORMANCE

- High Tuft Bind
- Greater dimensional stability – no growing or shrinking
- Tufted through both backing layers = impossible to delaminate
- Lifetime Limited Warranty
- Moisture resistant compound passes British Spill Test
- Superior appearance retention

## BUDGET

- The longer carpet lasts the less it costs
- Temperature stable
- Product flexibility and construction = ease of installation

## SUSTAINABILITY

- Extending the life of carpet = less carpet to the land fill
- PVC free, chlorine free
- No 4PCH, No SBR latex
- Low VOC seam sealer

- CRI Green Label Certified
- Recyclable
- Exceeds industry standards
