The Avant Garden Collection - designed by Paul Dabrowa.

The notion of the Avant Garde is considered by some to be the hallmark of modernism. Avant Garde represents a pushing of the boundaries of what is accepted as the norm or the status quo, primarily in the cultural realm.

Re-think the flower garden. Re-think the flower. Re-think the stems, the organic. It is a poetic view on a beautiful place, ‘the flower garden’. This collection is all about the above and more.

This is Avant Garden.
