KINTSUGI
KINTSUGI

KINTSUGI is the Japanese art of repairing broken pottery with gold. The gold-dusted lacquer makes the imperfect piece even more beautiful, at the same time, echoing the natural forms we see in cracked earth, ice, and tree branches. In keeping with the modern embrace of nature and organic forms, Kintsugi is perfect way to meld man’s touch with the beauty of the natural world.

Esther Dunbar-Cullum

The Kintsugi Collection features styles offered in Durkan’s innovative Definity technology as well as PDI and CYP. Please contact your rep or visit www.durkan.com for more information.
