PACIFIC RIM

a collection designed by Stacy Garcia

Influenced by nations steeped in remarkable textile traditions, journey to the far east with Pacific Rim. Ink washed florals intermingle with woodblock inspired motifs for a harmonious blend that is bold, beautiful, and serene. Nuances in tonality and shading amongst silk-like textural grounds balance free-flowing brushstroke movements with expressionistic qualities. Influenced by customary dyeing techniques, submerge into a palette of rich indigos and moody blues enhanced by soothing pastels with a pop of persimmon. Blending cultures and drawing from global inspiration, Pacific Rim emphasizes the timelessness and versatility of the region’s historical artistry.
Definity
Durkan’s innovative Definity technology is available in up to 12 colors and features our unique precision sculpted technology which explores and emphasizes dimensional effects.

PDI
Durkan’s Precision Dye Injected (PDI) construction offers a range of patterns available in 12 colors.
