UDAAN

A “flight” taken to reach a new elevation. Being mindful of our busy surrounding, the hustle and bustle of a noisy environment. Pausing, slowing down and calming our minds to reconnect with ourselves is essential. UDAAN captures those experiences.

The collection focuses on reflecting and reconnecting at a different altitude. The designs are fluid with a subtle sense of movement. From dusty hues to vibrant blues combined with soft blurry textures, UDAAN has achieved an air of sophistication.

Udaan features Definity to the best of its ability. This technology truly can transform a simple design and create layering effects through multi-level cut and loop.

—Arnavaz Barshan

DEFINITY

Udaan is featured in Durkan’s innovative Definity technology which redefines luxury performance with patterning and textures never before seen in the industry. Enhanced surface detailing provides more than twice the definition of any other high-end hospitality carpet. Durkan’s exclusive technology creates precision sculpted dimension for incredible visual and tactile experiences.
Top to bottom:

QTW55310-MW443 15’ (w) X 15’ (l) Broadloom
Definity
Durkan’s innovative Definity technology is available in up to 12 colors and features our unique precision sculpted technology which explores and emphasizes dimensional effects.

PDI
Durkan’s Precision Dye Injected (PDI) construction offers a range of patterns available in 12 colors.

CYP
Durkan’s Computer Yarn Placement (CYP) construction offers a range of patterns available in 6 colors.

Udaan is available in Definity, PDI and CYP constructions. Each product type utilizes a different manufacturing process which can yield variations in color and texture. Please refer to the guide below for specific color information.
