Inspired Installations

DURKAN CARPET TILE
Durkan brings the flexibility of carpet tile to hospitality interiors with high-fashion options in custom and running line patterns. Carpet tile offers infinite design flexibility, effortless installation and ease of maintenance. Mix and match coordinating patterns, styles and colors to create your own unique look or define a particular space. Use 12” x 36” and 24” x 24” carpet tiles to inspire new spaces.

COLOR EFFECTS

AVAILABLE IN 48 COLORS

Solid, all loop textured tile available in 48 colors. Select colors also available as 12x36 plank. Install as a border, insert or accent tile (quarter-turn only).
EcoFlex™ ICT
EcoFlex™ ICT is a premium vinyl modular backing system containing a minimum of 35% recycled content. With over 20 years in the marketplace, its ultra dense construction is engineered to offer superior performance.

EcoFlex™ NXT
A model of sustainable design, EcoFlex™ NXT is a carpet tile backing that is up to 40% lighter than similar competitive products, making it easier to install and less expensive to ship. It also incorporates a minimum of 35% pre-consumer recycled content. EcoFlex™ NXT is Living Building Challenge Red List Free. Recycled content claim third party verified by UL (Underwriters Laboratory).

EcoFlex™ NXT AIR
The next evolution in cushion backed carpet tile, EcoFlex™ NXT AIR offers enhanced comfort under foot and significant acoustic properties. It also incorporates an average of 50% recycled content (pre- and post-consumer) by total product weight. Available as a custom option, requires a minimum order of 500 sq yds. and 10% coverage.

- Noise Reduction Coefficient is 0.30 - carpet tiles should reduce sound by 30%
- EcoFlex™ NXT AIR is a custom option and requires a minimum order. Please contact your rep for more information.

FlexLok
FlexLok adhesive tabs enable a fast, dry installation of carpet tile with the flexibility of a floating modular floor. Use this no-glue tab system on any substrate with up to 99% RH, when coupled with our EcoFlex NXT tile backing.
Ready to Design provides designers with creative flexibility, an ability to order the quantity they need — without excessive minimum purchase requirements — and speedy delivery options!

How It Works
• Select from some of our most popular patterns
• Choose a fixed colorway or personalize select styles with custom accents
• Visualize designs with varied installations and rooms
• Order a digital or printed sample of your design
• Finished product ships in 6 to 8 weeks
• All personalized styles have a low minimum requirement of 250 square yards

Please contact your Durkan representative for detailed ordering information or if you have any questions.

Samples: (888) 740-6936, option 2
Customer Service: (800) 981-2009
Installation/Maintenance Info: (800) 833-6954
(Mohawk Field Technical Services Department)

HOW TO ORDER

OUR COMMITMENT
As a Gaia sponsor of the International Living Future Institute (ILFI), we are committed to revolutionary programs that are redefining the green building movement. These include the ILFI's Living Building Challenge and Declare programs.

Declare Labels are a ‘nutrition label’ for the building industry, providing ingredients, source and manufacturing locations. We offer you:
• The most products with Declare Labels
• The most Red List Free products

We have eliminated the mystery of product ingredients so you get total product transparency.*

*Mohawk utilizes multiple platforms for disclosing our transparency information, including Declare Pages, Mindful Materials and the Declare Database.

Mohawk Group & Durkan lead the building products industry in transparency with the largest selection of products with Declare Labels, Health Product Declarations (HPDs), and Environmental Product Declarations (EPDs). What’s more, we offer over 490 Red List Free Declared products.
