This limited warranty applies only to the original purchaser of Mohawk Group carpet for indoor commercial installations. This warranty applies only to those woven products specifically designated by Mohawk Group.

Provided the designated carpet has been properly installed and maintained in the specified commercial location in strict accordance with Mohawk Group's instructions and procedures and subject to the limitations set forth herein, including the specifications and manufacturing tolerances established for the product, Mohawk Group warrants to the original Owner, the following:

I. Items Under Warranty
Mohawk Group warrants the following for the normal useful life of the carpet**: 

1. **Wear** – Carpet will not wear more than 10% of their surface pile weight from abrasive wear. “Abrasive wear” means fiber loss from the carpet through normal abrasion, not crushing or flattening of the carpet pile in any area, nor staining, soiling, fading, or change in carpet appearance, nor fiber loss due to abnormal usage of the carpet;

2. **Pile Bind** – Woven products will provide superior pile bind capabilities in high-traffic environments;

3. **Static** – Carpet will not give static discharges in excess of 3.5 KV when tested under AATCC Test Method 134 (Step);

II. Limitations – This warranty does not include:

1. Disfigurement or damage caused by abnormal use or any damage to the carpet not arising out of a manufacturing defect in the carpet, including such disfigurement or damage as tears, burns, pulls, cuts, floods, excessive alkalinity, excessive moisture, installation on stairs, damage resulting from improper cleaning agents or methods, neglect, or damage in transit;

2. Edge ravel where carpet is cut for access to floor outlets and around trench header ducts;

3. Abuse by any athletic equipment such as roller skates, ski boots, or golf shoes;

4. Differential fading from light exposure, shading, pile crush, dye lot differences, or soiling;

5. Any condition that would have been visible upon inspection prior to the installation;

6. Any condition resulting from other than ordinary wear or from any use for which the product was not designed; and

7. Any issues related to moisture and alkalinity in the substrate. Moisture and pH testing are not the responsibility of Mohawk Group.

8. Abnormal wear: Accidents such as soiling, staining, burning, flooding, damage by pets and unpacking damage, products placed on ramp entrances or stairs exposed to excessive traffic are not covered.

9. Color changes: Fading or changes in color from external sources, such as fading due to spillage of household cleaners or sunlight, are not covered.

10. Use of topical treatments: Any topical treatment(s) use such as aftermarket soil, stain or insect repellent will void this warranty.

11. Vacuum: The use of a Dyson or any vacuum with a beater bar will void this warranty.

12. The serging and binding on a rug. Excessive force (e.g. vacuum with a beater bar catching and pulling the serging/binding, clips used to hand the rugs, etc) which causes damage to the serging/binding is not a warranted manufacturing defect.
III. Owner Obligation

1. Owner must submit notice of all claims under this warranty to Mohawk Group within a reasonable time after discovery of the alleged defect and within the specified warranty period.

2. Claims must be submitted at www.mohawknet.com or in writing and delivered to the following:

3. Any replacement will be made with a comparable product selected by Mohawk Group from the current Mohawk Group running line. However, Mohawk Group’s obligation shall not include the reimbursing of any indirect costs or incidental or consequential damages, however incurred. By way of example and not limitation, damages arising from the interruption of use of the spaces affected or expenses in removing furniture or equipment from the affected area shall not be included in its obligation.

4. The remedies provided in connection with this limited warranty are expressly in lieu of any other remedies provided under any other express or implied warranty, INCLUDING ANY WARRANTY BY MODEL OR SAMPLE AND ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS, and of any other obligation on the part of Mohawk Group. This warranty supersedes any additional or inconsistent warranty(ies) set by the dealer, Owner, or any third party. In no event shall Mohawk Group be liable for any incidental or consequential damages. No modification of this warranty shall be effective unless in writing and signed by an authorized representative of Mohawk Group.

Please Note: Some States do not allow the exclusion or limitation of incidental or consequential damages or limitations on how long an implied warranty lasts. The above limitation or exclusion may not apply in some situations.

VI. Rug Installation Guidelines

1. Most rugs are affected by shipping and storage conditions. Hotter temperatures may cause rugs to expand while cooler temperatures may cause them to contract.

2. Please allow 12-24 hours, depending on the initial temperature, to allow the rug(s) to adjust to room temperature.

3. The optimum temperature to allow your rug to test is 68-74˚. Do NOT place furniture on your new rug before it has had time to acclimate to the new temperature.

4. Failure to follow this procedure when installing your rug may case damage to your rug.
